<<白蛇传故事>>

内容概要

《白蛇传故事(英文版)》由香港嫦娥图书出版公司出品。

Lady White

Snake, also known as Legend of the White Snake, is a Chinese legend which existed as oral traditions before any written compilation.

The story tells of a young scholar who falls in love with a beautiful woman, unaware that she is a thousand year old white snake that has taken on human form. Although the scholar and the snake woman are genuinely in love with each other, their relationship is forbidden by nature's law. When a Buddhist abbot discovers her true origin, Lady White Snake must fight for both her marriage and her freedom.

章节摘录

版权页： 插图： From then onwards,Xu Xian began to pay regular visits to Bai's residence and their bond was strengthened and consolidated through drinking,playing musical instruments and composing poems. After learning that Xu Xian became an orphan from an early age following the deaths of his parents and thus was leading a pathetic and abject life,Bai Suzhen offered him a considerable sum of money so that he could earmark the money as betrothal presents to propose the marriage.
