内容概要

《查拉图斯特拉如是说》是尼采的里程碑式的作品，几乎包括了尼采的全部思想。

《查拉图斯特拉如是说》以汪洋肆意的诗体写成，熔酒神的狂醉与日神的清醒于一炉，通过“超人”查拉图斯特拉之口宣传未来世界的启示，横扫了基督教所造成的精神奴性的方方面面，谱写了一曲自由主义的人性壮歌，在世界哲学史和诗歌史上均占有独特的不朽的地位。

章节摘录

Now about the time that Zarathustra sojourned on the Happy Isles , it happened that a ship anchored at the isle on which standeth the smoking mountain , and the crew went ashore to shoot rabbits. About the noontide hour , however , when the captain and his men were together again , they saw suddenly a man coming towards them through the air , and a voice said distinctly : "It is time !

It is the highest time !

" But when the figure was nearest to them (it flew past quickly , however , like a shadow , in the direction of the volcano) , they did not recognise with the greatest surprise that it was Zarathustra ; for they had all seen him before except the captain himself , and they loved him as the people love : in such wise that love and awe were combined in equal degree. Behold !

said the old helmsman , "there goeth Zarathustra to hell !

" About the same time that these sailors landed on the fire-isle , there was a rumour that Zarathustra had disappeared ; and when his friends were asked about it , they said that he had gone on board a ship by night , without saying where he was going. Thus there arose some uneasiness. After three days , however , there came the story of the ship's crew in addition to this uneasiness——and then did all the people say that the devil had taken Zarathustra. His disciples laughed , sure enough , at this talk ; and one of them said even : "Sooner would I believe that Zarathustra hath taken the devil." But at the bottom of their hearts they were all full of anxiety and longing : so their joy was great when on the fifth day Zarathustra appeared amongst them.

媒体关注与评论

倘若我们的学术界始终主要依靠中译本去了解和研究西学，我们的西学水平就永远不能摆脱可怜的境况。

本丛书选择西方哲学、人文学科、社会科学领域的最基本的英文经典原著，分批陆续出版，我赞赏这样的善举，并且相信，这也是为学术做的一件益事。
