### 前言

随着我国与世界各国的交流与合作日益频繁，社会各界对大学生的英语学习提出了更高的要求，即不但要有较强的读写能力，而且还要有一定的听说能力。

用英语表达思想、交流信息、传播优秀文化已成为当代大学生必备的技能。

然而，在教学方面，我国的大学生由于受传统的教材、教法、英语高考形式及学习习惯等诸多因素的影响，普遍存在英语阅读能力较强，但口语水平有限的问题，可谓“十年苦学、金口难开”。

现有的大学英语口语教材又多以日常口语为主，且对象主要是英语专业学生，这些已远不能适应现代大学生的交际需要。

本书的编者用了数年的时间在日常英语中收集口语话题高频词汇、习惯用语、固定短语、习语、谚语，编写了这本实用性强的英语口语考试话题集。

章节摘录

What a lovely dog I've never known you have a pet. How long have you had it ?  
Just two months. My father gave Lily to me as a birthday present. Do you have any pet in your house ?  
No. I love animals too. But to keep animals as pets is not my idea of showing love for them. Why ?  
I mean, don't you think people treat their pets very well, even better than they treat their babies ?  
Maybe you are right, but how do you know those poor creatures enjoy being treated as pets ?  
See, my little Lily is always wagging her tail. And she always dances with joy when I come home, puts her head on my knees and stares longingly into my eyes. When I start to make tea, answer the door, or stretch my legs, she moves with me. I can tell she loves to be a companion to me. But how do you know what the dog may really be telling us, much of the time, is not, "Feed me" ?  
I'm kidding. Well, it's sure that you have to do a lot of things to take care of it. Does it cause a lot of problems as well, like in parks, does it often leave its "poop" where children play ?  
Yes. I feed her, bathe her, take her out for a walk and have her vaccinated and romp with her every day. But I think I receive more than I give.       &hellip;&hellip;
