内容概要

Under the guidance of the policy of promoting socialist democracy and building a sound socialist legal system formulated at the Third Plenary Session of the Eleventh Central Committee of the Chinese Communist Party , the National Peoples Congress and its Standing Committee have , since 1979 , enacted many important laws. These laws have been compiled and published in succession by the Legislative Affairs Commission of the Standing Committee of the National People s Congress of the People s Republic of China. In order to acquaint readers abroad with China s laws and with what China has achieved in building a new legal system , the collections in Chinese entitled the Laws of the People s Republic of China , covering the period of 1979——2008 , have been translated into English and published in 20 volumes at the Foreign Languages Press , the Science Press , and the Law Press respectively. We are now publishing , as Volume 21 , the English edition of The Laws of the People s Republic of China (2009) at the Law Press. The publication note in the Chinese edition is not included.
