<<用英语表达你的法律观点>>

内容概要

学英语难，学法律英语则是难上加难。

其实，不仅中国人以为难，外国人也以为难，甚至连一些以英语为母语的人都会把法律英语称为“外语”。

用英语表达法律观点应做到——选好题，有条理，再自然地表达。

法律英语学习最终能否蔚然成风，取决于学校能否创出品牌。

如果有好的品牌，用人单位自然会纷至沓来，学生学习的劲头也会空前高涨。

《用英语表达你的法律观点——第三届全国法律英语大赛论文集》由杨富斌，鲁勤主编。

章节摘录

版权页：Regional move could also contribute to economic welfare and political stability. Economically, free trade area encourages internal competition and trade liberalization, which benefits the consumers. Meanwhile, it also facilitates to enhance productivity of goods and service through scale expansion. Thirdly, the scope of FTA is enlarging very fast, not limited to traditional tariff cut and non-tariff measures. Considering economic and trade policy are better coordinated in region than in WTO, regional cooperation has prepared topics and pre-communication for future negotiation in WTO. Fourthly, FTA compensates losers from a reduction in protection and reduces the average protection of member countries. At certain circumstances, FTA helps countries which are not WTO members meet the requirement of the WTO.
