章节摘录

All the housewives who went to the new supermarket had one great ambition : to be the lucky customer who did not have to pay for her shopping , for that was what the notice inside the entrance said : "Remember , once a week , one of our customers gets free food. This may be your lucky day !"
"For several weeks Mrs Edwards hoped to be the lucky customer. Unlike her friends , she never gave up hope. The cupboards in her kitchen were full of things which she did not need. She dreamed of the day when the manager of the supermarket would come over to her and say : "Madam , this is your lucky day. The things in your basket are free." One Friday morning , after she had finished her shopping and had taken it to her car , she found that she had forgotten to buy some tea. She dashed back to the supermarket , got the tea and went towards the cash desk. As she did so , she saw the manager of the supermarket approach her. "Madam , " he said. "I want to congratulate you !
You are our lucky customer and everything you have in your basket is free !
