### 前言

大多数西方歌曲都符合中国“请水出芙蓉”的美学观，反映出大自然的美丽和人生的绚烂，在听众心里唤起奇妙的感觉。

那蛙鸣、那彩虹……还有那蜿蜒的乡间小路——一幅幅色彩斑斓的图画在歌声中展现。

歌者，激情澎湃，难以自已；听者，思绪随歌声飞扬九天，飘往一片神奇的土地，那儿有人类的梦想和希望。

阿姆斯特朗似“吉祥鸟”翱翔于白云间，撒下悦耳的音符，传播对这个世界的颂赞，听后余音绕挈三日不散……

我看着油绿的树木、橙红的玫瑰，它们为你我展现着美丽的彩姿，我不禁心中回荡着：世界是那么的美好，我看着蔚蓝的天空，还有那被祝福的灿烂白天和神圣的黑夜，我不禁心中回荡着：世界是那么的美好。

看，天空中的彩虹如此美丽缤纷，路人的脸庞也是如此笑靥如花。我看见朋友们都彼此握手问候：你好吗？他们都在认真地倾诉着：我爱你。我听着婴孩们的哭声，看着他们成长，他们定会学到比我所懂的更丰富。我不禁心中回荡着：世界是那么的美好。

是的，心中回荡着：世界是那么的美好。他的歌质朴而深沉，像层次感很强的油画记载了生活的片断。

它“质朴”，是因为那是发自心底的声音，没有粉饰，没有雕琢，是感情的真实流露。

章节摘录

Nobody can imagine that this song with slow rhythm and beautiful images appeared in the war movies more than once and worked wonders. Actually, the original intention to compose this song is to pray for peace and eliminate wars. The song "What a Wonderful World" was once an episode in the film "Good Morning, Vietnam". Even though it was only an episode, it was good enough to be regarded as the soul of the film. In "Good Morning, Vietnam", helicopters of American troops took off with the song "What a Wonderful World" as a music background. Accompanied by Armstrong's booming but husky voice, there appeared some bloody pictures—a troop of young American soldiers were making a reconnaissance in the forest with nervous looking on their faces; Vietnamese were shot dead arbitrarily by American soldiers in the streets of Saigon (the capital of Vietnam). The images in the song formed a striking contrast against the bloody pictures in the film. If there were no countless landmines to remove, if there were no deformed children caused by radiation of war rubbish, and if there were no persons of mixed American and Vietnamese blood who even didn't know their fathers, this beautiful and gentle country would be a truly nice place.

没有一种声音是生来就会受到关注的，但如果你相信它的力量，就需要坚持发出这个声音，它就是生命的讯号，直到所有的人都为它的力量而倾倒，为它的坚持而鼓掌。
