<<宠爱之名>>

内容概要

《疯狂英语》是中国英语期刊领跑者，其品牌知名度、读者公信力、社会影响面和市场占有率均独占鳌头。

2010年首批推出背诵、听力、美文、口语语四个系列共20本书后，受到广大英语爱好者的欢迎和好评，2011年继续推出美文会系列6本，以飨读者。

时光荏苒，《疯狂英语》转眼已走过15个年头，也从当年的一本双月刊发展到阅读版、中学版、原声版、口语版、教师版五刊并进的期刊方阵。

许多读者对《疯狂英语》的精美文章记忆犹新、赞不绝口，譬如当年齐豫的一篇《秋之湖》，如梦如幻的音乐、深情的独白，曾迷倒多少读者。

《疯狂英语》选文一向秉承启迪思想的理念，文风优美、语言地道、含义隽永，在阅读中领悟人生真谛，在阅读中领略文化精华。

此次集结出版的美文，来自历年的阅读版、中学版、原声版和口语版，分为“一人一个情人结”、“愿此刻停留”、

“宠爱之名”、“滑过指尖的流沙”、“情感的许愿池”和“生命中的四叶草”六册，前四册均为情感美文，后两册则为名著或畅销书的书摘精选。

第六章 人生马戏团

<<宠爱之名>>

章节摘录

You rarely let me out of your sight either. Whether I was working in the yard , or sitting at the computer , you were always by my side. Digging in the garden , your nose would be inches from the shovel and I was afraid I would hurt you , but you were always fast on your feet. What was irritating were the times you'd growl and try to nip my ankles or grab my foot as we walked together , but you never tried to hurt me. You just thought it was fun even though I yelled at you to stop. Did you hear me , Beau ?

Then came the dark days. Those days when you became lethargic and refused to eat. The vet said you had Lyme disease and you were given a month's worth of antibiotics. You seemed to recover after that , and your appetite returned , but you wouldn't eat regular dog food. Instead , I fed you "human food." Of course you were spoiled , but I didn't care. It was a simple thing to prepare an extra portion of food each evening. After all , we were buddies. And just when we thought you were returning to health , you refused all food and I had to coax you to drink water by putting my hand in your bowl and bringing my filled palm up to your muzzle. You'd look into my eyes , not really wanting any but doing it just to please me , after I pleaded , saying , "Please drink , baby." and your tongue would touch my open hand. Did you hear me , Beau ?

.....
