## 章节摘录

The first teacher-parent meeting would be held in the school . To the little boy ' s disappointment ( 失望 ) , his mother said she would go . He felt sorry for her face . She was very beautiful , but there was a big scar ( 疤痕 ) on her right face . The boy never talked about it with his mother . At the meeting , the people noticed the mother ' s kindness and beauty though she had the scar . But the little boy hid himself . After the meeting , the teacher asked his mother carefully . “ How did you get the scar on your face? ” The mother answered . “ When my son was a baby . he was once in a room that caught fire . Everyone was too afraid to go in because the fire was out of control . At that time , I rushed in . As I was running towards his bed . I saw a piece of wood coming towards his bed . I threw myself over him to protect him , I was knocked down . Luckily , a fireman came in and saved both of us . But I got the scar . ” She touched her face . “ This scar will be here for ever , but I have never felt sorry for what I did . ” At that moment , the little boy came out with his eyes wet . He held his mother ' s hand for the rest of the day .
