章节摘录

1. When the speaker says : "If your partner loses their job , you've got to give them time to regroup , " what does "regroup" mean ?
2. According to the speaker , what can you do to avoid becoming depressed when your spouse is depressed ?
3. What is the greatest thing you can give your partner when he is depressed ?
4. What is the meaning of "fire" in the following two sentences in the video ?
It's losing your way in what you do in the world , especially if your partner has been fired and hasn't chosen to quit. They may be angry at work or the boss or they may be angry at you. So you've got to be careful , get out of the line of fire.
5. According to the speaker , what does losing your job mean ?
6. What is the grieving process when your partner loses their job ?
Explain in detail.
7. What do you need to do while your partner move through the grieving process ?
.....
