<<苏东坡传>>

内容概要

《苏东坡传》讲述了苏东坡是一个无可救药的乐天派、一个伟大的人道主义者、一个百姓的朋友、一个大文豪、大书法家、创新的画家、造酒试验家、一个工程师、一个憎恨清教徒主义的人、一位瑜伽修行者佛教徒、巨儒政治家、一个皇帝的秘书、酒仙、厚道的法官、一位在政治上专唱反调的人、一个月夜徘徊者、一个诗人、一个小丑。

但是这还不足以道出苏东坡的全部.....苏东坡比中国其他的诗人更具有多面性天才的丰富感、变化感和幽默感，智能优异，心灵却像天真的小孩——这种混合等于耶稣所谓蛇的智慧加上鸽子的温文。

章节摘录

As one Chinese name per person is more than enough for the Western reader to follow, I shall always call the father Su Shi, the elder son Su Tungpo, and the younger son Su Tseyu, following the prevailing Chinese practice. The confusion arising from so many names adopted by one scholar takes up a great deal of the time of a student doing research in Chinese history. In Su Tungpo's time at least eight persons had the same name, Mengte, which meant that the person's mother, before she conceived, had dreamed that she had a bay. When Tungpo was sixteen, there was an episode which put a heavy strain on the relationship between the father's and the mother's family, and which reveals something of the father's character. As often happens in Chinese families, the father has married Su Tungpo's elder sister to a first cousin in the mother's family. We cannot know details at this late date, but we know that the young bride was unhappy in the Cheng family. Perhaps she was persecuted by her husband's relations. Anyway, she soon died and under circumstances that stirred up Su Shi's indignation. It seems the girl's father-in-law was a thorough scoundrel. Su Shi wrote a poem couched in bitter words and blaming himself for his daughter's death. He then did an unusual thing. He compiled a family genealogy, had it inscribed in stone, and erected a pavilion over it. To celebrate the occasion, he gathered the entire Su clan, before whom he intended to read a public denunciation of his wife's family. After the members of the clan had poured wine offerings to the dead ancestors, Su said to the clansmen that a "certain" person in the village, meaning his wife's brother, represented a powerful family; that he had brought moral chaos into the village; that he had driven out the orphan child of his own brother and monopolized the family property; that he had placed his concubine above his wife and indulged in licentious pleasures.
