<<IELTS9分模考>>

内容概要

IELTS(International English Language Testing System) “国际英语语言测试系统”是全球认可的英语语言能力评估系统，也是进入大多数英语系国家高等学府就读必备的英语能力证明，特别受到英国、澳大利亚、新西兰、加拿大等国认可，而目前美国大多数大学也承认IELTS成绩。

IELTS测试由英国文化协会(The British Council)、剑桥大学考试委员会(Cambridge ESOL)及澳大利亚教育国际开发署(IDP Education Australia)共同举办，由剑桥大学考试委员会统筹管理。

除了计划前往英语系国家就读大学、研究生院、专科学技术学院、预科课程者适合参加IELTS测试外，凡申请澳大利亚、新西兰、加拿大、美国移民者，或是担任英国及澳洲各政府部门实习生、参加国防部及公共医疗会议等专业人士，均可参加IELTS测试。

作者简介

Daniel Sansoni, 剑桥台北语言中心资深教师, University of Western Australia大学博士, 获英语教学证书, 有近10年IELTS教学经验。

章节摘录

CANNIBALISM A The 2002 case of consensual cannibalism in Germany, in which Armin Meiwes slaughtered and ate Jurgen B, has brought this controversial subject back into the forum. Considered by many to be the most heinous of crimes, cannibalism, nevertheless, still holds a lot of fascination for people. This can be seen in the popularity of fiction and non-fiction accounts of cannibal killers. Dr Hannibal "the Cannibal" Lecter from *The Silence of the Lambs* is virtually a household name, while real-life cannibals like Jeffrey Dahmer and Ed Gein achieved remarkable notoriety. Perhaps the most disturbing example of this phenomenon is the story of Issei Sagawa. Sagawa, an English literature student at the Sorbonne, fell in love with a German woman, who he then murdered and ate. Judged unfit to stand trial in France, he was extradited back to Japan, where, unrepentant, he became a national celebrity, writing several bestselling novels. Now free, he writes his own regular column. B The above are all cases of pathological cannibalism, but has cannibalism ever been socially acceptable? Anthropologists find this a difficult topic because it arouses such strong feelings in people. The word "cannibal" comes from Columbus' description of a Caribbean tribe called the Caniba who were reputedly man-eaters. Europeans declared cannibalism the worst evil and so gave themselves justification for the violent subjugation of indigenous peoples. Thus, cannibalism was used to justify colonisation of the Americas and many Pacific isles, as well as Africa.
