#### 章节摘录

I remembered you, brother, and all yours; during the last minute you, you alone, were in my mind, only then I realized how I love you, dear brother mine!

I also managed to embrace Plescheyev and Durov who stood close to me , and to say good-bye to them. Finally the retreat was sounded , and those tied to the pillar were-led back , and it was announced to us that His Imperial Majesty granted us our lives. Then followed the present sentences. Palm alone has been pardoned , and returns with his old rank to the army. I was just told , dear brother , that today or tomorrow we are to be sent off. I asked to see you. But I was told that this was impossible; I" may only write you this letter : make haste and give me a reply as soon as you can. I am afraid that you may somehow have got to know of our death sentence. From the windows of the prison van , when we were taken to the Semionov Drill Ground , I saw a multitude of people; perhaps the news reached you , and you suffered for me. Now you will be easier on my account. Brother! I have not become downhearted or low-spirited. Life is everywhere life , life in ourselves , not in what is outside us7. There will be people near me , and to be a man among people and remain a man for ever , not to be downhearted nor to fall in whatever misfortunes may befall me —— this is life; this is the task of life. I have realized this. This idea has entered into my flesh and into my blood.
