<<格利佛游记>>

前言

一套供青少年和英语爱好者阅读的丛书，应满足三个要求：Read for pleasure；Read for information；Read for language improvement. 《Black Cat有声名著阶梯阅读》满足了以上要求而有余。

首先，这是一套同时供听觉享受的书。

一部作品，当它由专业演员朗读时，就能以其优美的声音、抑扬顿挫的语调、加上传神的表达，使读者和听者真正身临其境，最充分地领会作品中的情、境、思。

而这一效果，就不是只有白纸黑字的书面材料所能提供的了。

加之这套书图文并茂，更使视、听两种感官得以完美地结合。

其次，这套书为读、听者提供了有益的背景资料，包括作家生平、时代背景、人文知识等，有助于培养青少年的跨文化意识。

书中许多传世名画，更给人充分的艺术享受。

再者，虽是读物，却兼具教科书的功能。

每本书都编入为数不少的练习，涉及阅读理解、词汇辨释以及语法结构等，为课堂的语言教学提供了有效的补充。

在教育部颁布的国家英语课程标准中指出了泛读的重要性，明确规定了学生每学期的课外阅读量。学习任何外语，只有课内的精读，没有课外大量的泛读，是不可能学好的，更不用说获得语感。

《Black Cat有声名著阶梯阅读》丛书的编印出版，为广大青少年和英语爱好者提供了一个学习英语的新天地——我为你们庆幸。

章节摘录

The belt. This contains some metal balls and some black powder - we do not know what these are. I did not show the two men the pocket where I kept my glasses. The Emperor was very curious to see all the objects described in the report. First he asked to see my sword. Then he wanted to see the very long tube of metal attached to a piece of wood. I explained that this was my pistol, and I offered to fire it for him. I took some of the black powder, and put it into the pistol. Then I fired - the noise frightened the Emperor's soldiers very much !

Next the Emperor wanted to see my watch. He did not know what it was, but he was very interested in the noise it made. Everybody in Lilliput was very happy with my behaviour, and the people began to trust me. Sometimes they came to dance on my hand. The children played hide and seek in my hair. The Emperor was very pleased with me as well, and he invited me to see some special dances. These dances are performed in the Emperor's court, by his ministers and other important people. They are very strange dances. For the first dance, they place a rope above the ground, and the ministers dance on this rope. The government minister who does the best dance is given a government job. These dances are very dangerous, and there are many accidents. Most of the Emperor's ministers fall off the rope sooner or later, and are injured. There is another kind of dance that is performed in the Emperor's court. This dance is performed for the Emperor, the Empress, and the first minister. The Emperor puts some coloured threads on a table. The threads are blue, red, and green. Then the dancers enter the room, and the performance begins. The Emperor holds a long piece of wood.
