<<美猴王汉语>>

内容概要

Monkey King Chinese ( school&mdash;age edition ) is a series of elementary Chineselanguage primers for primary school children from the 1st year to the 3rd year in English&mdash;speaking countries . This series of textbooks is divided into three levels according to the year rank . Each level consists of two volumes , A and B .

Level Two: Word groups and phrases are the foundation, supplemented by Pinyin, nursery rhymes, handicrafts, and exercises, among which Pinyin are compound spellings of initials and finals.
