内容概要

NPCR is a new series of textbooks designed for native English speakers to learn Chinese . It consists of seventy lessons in six volumes for three years of instruction. Basic sentence patterns and functional items are introduced in the first three volumes with thirty—eight lessons . Book Four leads to the intermediate level of the last two volumes . NPCR has been compiled under the guidance of the new Hanban Syllabus and in consultation with the HSK Guideline . The objective of this series is to develop the student ' S ability to communicate using Chinese through the study of language structure , language function , and related cultural knowledge along with the training of listening, speaking , reading and writing skills .
