<<说说唱唱学汉语>>

前言

Sing your way to Chinese is a set of books in the series Naughty Dong and Xi Learning Chinese which are teaching materials for children . Rich and interesting topics serve as the matrix , children ' S songs the carrier , and basic grammar the thread . Based on these features, we ' ve produced this set of books to teach children Chinese with a sense of the times in a creative and innovative way . This teaching material follows humanist educational ideas , enabling students to fully enjoy learning Chinese and teachers to fully enjoy teaching . By using this teaching material , children will be “ singing while learning , playing while learning , and laughing while learning ” . This teaching material imperceptibly integrates Chinese learning into singing , playing games , doing exercises , and other activities that children enjoy by combining Chinese learning with recreation so as to provide a relaxed and happy learning environment . Using this teaching material will also enhance children ' S understanding of natural science , social activities , and Chinese culture , as well as cultivate their team spirit and sense of cooperation .
