## <<宫廷仪轨>>

### 内容概要

《剑桥政治思想史原著系列（影印本）：宫廷仪轨》旨在使学生能够获得从古希腊到20世纪初期西方政治思想史方面所有最为重要的原著。

它囊括了所有著名的经典原著，但与此同时，它又扩展了传统的评价尺度，以便能够纳入范围广泛、不那么出名的作品。

而在此之前，这些作品中有许多从未有过现代英文版本可资利用。

只要可能，所选原著都会以完整而不删节的形式出版，其中的译作则是专门为该书的目的而安排。

每一《剑桥政治思想史原著系列（影印本）：宫廷仪轨》都有一个评论性的导言，加上历史年表、生平梗概、进一步阅读指南，以及必要的词汇表和原文注解。

《剑桥政治思想史原著系列（影印本）：宫廷仪轨》的最终目的是，为西方政治思想的整个发展脉络提供一个清晰的轮廓。

<<宫廷仪轨>>

作者简介

作者：(英国)西德尼(Sidney) 编译：(英国)Hans W.Blom 等

<<宫廷仪轨>>

书籍目录

Preface  
Note on the text

## 章节摘录

Thirdly , nothing is more conducive to the good of a state than the incessant care of the governor perpetually intent to procure the good of it , which is most seen in hereditary monarchies , the monarch looking on the state as his patrimony descending to his heirs. Fourthly , the government of a state requires that greatness of mind that is found only in those that from their infancy are bred up in the expectation of crowns. A nobleness of spirit inherent in their blood , increased by education , banishes out of their minds all those low thoughts which possess them who are born in meaner fortunes. Fifthly , there is no greater encouragement unto gallantry than to act under the eye of a prince who alone is the judge and rewarder of what is done in his service. And we who know our fortune is made if we please only one master do cheerfully run through all dangers and troubles in the hope of gaining his favour who alone has the disposing of riches and honours. Lastly , as we see , those monarchies have been most glorious that have been most absolute. The best and most learned authors as Plato , Aristotle , and many others , say the most perfect government is when all is in the power of one man , who is above the law , obliged to no law , being himself a living law; as the mind in the man , so he , as the mind or understanding of the body politic , rules all. EUNOMIUS: why may not all these acts be performed by one body composed of many members as well as by one man? PHILALETHES: this variety seems to me a certain spring of perpetual confusion. A society so constituted will be like a chaos. Frigida pugnant calidis; humentia siccis call it aristocracy , democracy , or what you will , it will in effect be no better than a mere anarchy. ...
