## <<高中英语完形填空2000题>>

### 内容概要

为配合广大高中学生迎接高考，根据国家教育部颁布的《中学英语教学大纲》、《全日制高级中学英语教科书》以及近几年全国各地高考英语试卷，作者精心编写了本书。

完形填空这个考试项目几乎是全国各地高考英语试卷中的必考项目。

这个考项是对学生英语学习整体水平的一个检测，它不仅涵盖了词汇测试，还隐含着语法测试，学生在做完形填空这个类型的题目时，需要运用自己的阅读理解、逻辑分析等综合能力。

全书由100篇精选短文组成，每篇短文设置了20道完形填空题目，共计2000题，难易程度达到大纲要求，书末附有参考答案。

编者在挑选短文时，力求将时尚与传统、知识与趣味有机地结合起来，学生在阅读、理解这些短文的同时，无意中拓宽了自己的知识面，增长了见识，可谓一举两得。

## 章节摘录

English is a global language \_\_1\_\_ all over the world. One \_\_2\_\_ five of the world's population has some basic \_\_3\_\_ of English. 85% of emails are written in English. 90% of all the information stored in \_\_4\_\_ is in English. By 2010 the number of people who speak English as a second or foreign language will \_\_5\_\_ the number of native speakers. Therefore to learn English is to learn how to \_\_6\_\_ an outside world that is rapidly entering China in \_\_7\_\_ ways. Yes, there is a need in schools to test English through exams but a greater emphasis should be \_\_8\_\_ English as a communicative tool to be used \_\_9\_\_ a Subject to be studied. Grammar has a place in teaching and it is \_\_10\_\_ to learn what \_\_11\_\_ a language and how that language is structured, but words are placed in sentences and sentences are \_\_12\_\_ in communication. Communication in English learning is the key and to communicate we must first listen and speak, which is how we learnt our mother tongue. "Dumb English" must be \_\_13\_\_ "Smart English" where brain and tongue are both \_\_14\_\_ used together. Chinese teachers of English have a \_\_15\_\_ to teach their students correct English that is more student-centered than teacher-centered. This \_\_16\_\_ should incorporate the latest technology that utilizes all the students \_\_17\_\_ and interest rather than boring its audience into a \_\_18\_\_ and non-learning state. Language is not neutral and comes to us with a cultural and \_\_19\_\_ background which can be used to make English come \_\_20\_\_ because English is a living language.
