#### 章节摘录

Do you think your school could be the greenestschool in the USA?

If so, the IC Bus Company wantsto hear about it. The bus maker has started anationwide competition to find Americas greenestschool and they need everyones help. Students, parents and teachers from around thecountry are invited to send a 500-word report that explains the activities their schools have taken to helpprotect the earth. Activities like organizing an in-school recycling program, planting a garden, and eventurning off the lights in an empty classroom are allways that you and your classmates can be green.

Organizers hope the competition will encourage kids and adults to think about how they can help savethe earth. This program can help students, teachers and parents learn that they can make greener choices themselves.
