内容概要

Busy Day

Tinky Winky, Dipsy, Laa-Laa and Po are having trouble waking up, so Noo-noo takes their blankets away...

...naughty Noo-noo! They eat a tower of Tubby toast and then it's time for Tubby sponges.....

wash, wash, wahs.

The Teletubbies play special games and make Tubby Custard. But the custard machine won't stop.....uh oh! Much too much Tubby custard!

Then it's time to go to sleep and the Teletubbies take their favourite things to bed.....time for Tubby bye bye!

And when the magic windmill turns, the Teletubbies can see children waking up, going to school and having a very busy day too.
