<<交际汉语2>>

内容概要

This title is part of a 6-volume program. The program is geared to those Chinese language learners by focusing on their substantial competence of communication in Chinese through the most common and basic language in real-life situation. Therefore, the learners will find it easy to master those basic dialogues and be able to communicate with Chinese people in daily life.

This volume includes the following topics: At the Office, Make a Call, Making Appointments, Invitations, At the Bank, and At the Post Office.
