<<小学生六年级英语快乐阅读>>

内容概要

阅读是学习英语的重要途径。

它不仅是学好英语，积累词汇的基础，也是英语学习中其他技能的基础。

阅读能帮助我们拓展视野，开阔思路，提高对英语学习的兴趣，为取得更高的语言成就铺平道路。

新课程标准规定小学阶段英语阅读量达到累计10—12万字。

要达到这样的目标，没有足够的语言输入量是不行的。

当学生有了一定的听、说基础之后，就需要不失时机地加强阅读学习。

因为英语学习需要不断地复现，需要大量的输入来强化听、说的语言材料并加以拓展。

简单机械的复现和输入会使学生失去学习的兴趣，只有将所学的知识放到新的情景中，放到新的阅读活动中才能吸引学生，使学生保持持久的学习兴趣。

为此，我们特编写了《小学英语快乐阅读》系列丛书。

本书所选短文内容幽默、新颖，难易程度适中，题型多样，涵盖了小学阅读理解中可能出现的各种题型。

在文中的适当位置依据文章的内容配有精巧幽默的插图，以激发学生的阅读兴趣，帮助学生理解文章的内容。

阅读是一个综合的过程，而阅读能力的提高更是一个循序渐进的过程。

相信本书能够给同学们带来一种全新的阅读感受——快乐阅读，阅读快乐，让孩子们在快乐中逐步提高英语水平。

章节摘录

There is a big gym in the centre. They all like sports. So they come into the gym quickly and begin to play basketball. Mingming is good at basketball. Now he catches the ball. Then he bounces it on the floor and runs. Soon he throws the ball. It's a goal. Now Pingping has the ball. He throws it, but it's not a goal. He's not a good basketball player. He's good at football. There are some children playing beside them. Two little boys are playing on the seesaw. One little girl is playing on the swing. She's wearing a pink dress. Two big boys are playing ping-pong.

Outside the gym, there are some children and a teacher. They are playing a game—the eagle and the chicken. There is a tall boy under the tree. He is playing a guitar and singing an English song. Three girls are dancing to the music. What a nice place! All the children like the centre. Every-one is very happy.
