章节摘录

Long ago , there was a big cat in the house. He caught many mice while they were stealing food. One day the mice had a meeting to talk about the way to deal with their common enemy. Some said this , and some said that. At last a young mouse got up , and said that he had a good idea. "We could tie a bell around the neck of the cat. Then when he comes near , we can hear the sound of the bell. and run away." Everyone approved of this proposal , but an old wise mouse got up and said , "That is all very well , but who will tie the bell to the cat ?

" The mice looked at each other , but nobody spoke.
