## 章节摘录

Unit 1 1.1. W: Did you find what you wanted ?

You've been gone all afternoon. M: I looked all over the town, but couldn't find any bookcases on sale. They're so expensive. I guess I'll wait a while longer. ( B ) 2. W: Get up, Jack. It's eight. Are you going to be late for class ?

M: But Mum... Today is Sunday. ( B ) 3. W: The debate on United States foreign policy is scheduled for two o'clock today. M: The person I especially want to hear is Professor Smith. ( B ) 4. M: How long did you have the exam ?

W: We were given two hours, but I finished in less than half the time. ( A ) 5. M: Excuse me. Could you tell me the way to the railway station ?

W: Go down this street, turn right at the second crossing. Then go straight until you see it. ( C ) . 6.

W: Hello, Bill. How are you doing ?

It's a long time since I saw you last. M: Hello, Mary. Yes, it's a long time. I'm fine. How are you ?

W: Great, thank you. How's your wife ?

M: She has been very busy with our baby. W: How's the baby ?

M: He's getting bigger every day. ( 6-8 B S C ) 7. M: Hello, Capital Buses. W: Hello. May I speak to Pat, please ?

M: Hold on, please. ( A moment later ) I'm afraid she isn't in the office right now. Can I take a message ?

W: Yes. This is Lucy speaking. Can you ask her to ring me back, please ?

M: Does she have your telephone number ?

8. W: Mr. Zhang, you speak excellent English. M: Thank you. W: Where did you learn it ?

M: Mainly in China. W: Have you ever been to any English-speaking country ?

M: Yes, I've been to the United States for a visit to attend a meeting. W: It's really surprising that you learned English so well. M: Thank you. But we have a lot of good teachers from English-speaking countries, such as Britain, Canada and Australia. ( 12-14 ACB ) 9. M: Oh, hi, Linda. I'm glad I've caught you.

W: Hi, Chris. M: I'm having a party this Saturday. I've just moved into a new flat. We're starting at about five thirty. Can you come ?

W: I'd love to. Thank you very much. M: Here's my new address. W: Thanks. Church Street, Randwick. M: Right. The party's at five thirty p. m. W: I won't forget, and I'll be there on time. M: See you then. W: Bye. ( 15-17 CCA ) . We start ... er ... , with this morning's weather chart. This morning there's a good deal of rain and snow sweeping off the North Sea into Scotland. That will continue, minus eleven, by the way, over central parts of England. Now, there is snow over the southwest. This afternoon those snow showers will move up to the north and the rain will get on to the southwest here. Then, this evening I think, windy. Quickly a few details: the winds today, at midday will not be too much of a problem. They will be picking up over the southwest and during the night they'll be much stronger. Temperature this afternoon is not getting above freezing in most places. 18. sweep off 19. freezing 20. night
