<<当代中文>>

内容概要

Contemporary Chinese is a series of textbooks designed for students whose native language is English. The ultimate goal of these books is to develop the student's ability to comprehend and communicate in the Chinese language. Specifically, it provides training in the skills of listening, speaking, reading and writing Chinese. The whole set includes a textbook, an exercise-book, a character book and a set of CD discs in MP3 format and CD-ROMS are available.
