<<Penthouses顶层公寓设计>>

内容概要

The word 'penthouse' applied to a dwelling evokes wide spaces, magnificent views and the hippest urban lifestyle, The penthouse is probably the most iconic of all living spaces, implying a sense of wealth and power, and is also surrounded by an aura of mystery. Through a selection of the most up-to-date penthouse projects all over the world, the reader will become absorbed by these lavish, dashing and exclusive spaces.
